# INDIAN SPRINGS FALL CAMPOREE

Scouts and Scouters,

The 2019 Fall Camporee – Search and Rescue is right around the corner. This year we will be returning to the VFW. The last Camporee held here was tons of fun due to the lake access. We hope this year will be a repeat.

We would like to invite all Scouters out from the district to come and join us.

This year we have decided to make a few changes in hopes of delivering a successful Camporee that is more Scout involved and Scout lead.

As we move closer to the Camporee, we will be in need of Volunteers.

Any adults willing to donate time to hosting/running games or other areas please email us and let us know.

Please see the next pages for more specifics on changes, schedules and other information on this year's Fall Camporee.

Thank you for your Support.

## Basic Information

2019 Indian Springs Camporee will be held September 20<sup>th</sup> – 22<sup>nd</sup>. The Theme for this year will be Search and Rescue. Many of the games will be related to the theme, some will include different skills for searching and others for rescue and first aid application.

Games will be set up in Block schedules by Troop Numbers. All Patrols can attend any games in their block for their troop during the times allowed. We will have 1 game that will be closely monitored for safety and will be scheduled at certain times.

Schedules can be found in this info pack.

## Meals

This year we have decided to offer an extra meal provided by OA. Friday night OA will be on site selling dinner. On Saturday 9-21, OA will again be cooking and selling lunch. This will be offered to assist in keeping the Scouts active through the day and offset the time needed to stop, prep, cook and clean for a meal. Troops will be responsible for their own meals for Saturday Morning, Saturday Evening and Sunday Morning. All OA offerings are optional. Any troop may choose to use OA or create their own.

**As an added bonus:** Saturday OA will also be serving up Snow cones to get those energy level up for the next round of games.

Meal Prices can be found in this info pack.

Participants who are added after 9-17 will need to register and pay on arrival.

Please try to have your Troops registered early as we have to provide enough food and other items for those in attendance.

## First Aid

We will have someone on staff to serve the need if it arises. Minor injuries should be handled within your troop when possible. Please make sure your Troop is equipped with a First Aid kit. If you feel that outside help is required please report to the First Aid station for assistance.

## **Eagle Scout Meeting**

This is something all new for a Camporee. We take great pride in our Districts Eagle Scouts. Many times these Scouts don't have a lot to do at Camporee due to their ranks and age. This year we have plans for these Scouts. They will be acting as Judges for multiple contests as well as guiding and coaching the younger Scouts. This will be a great weekend for them. Eagle Meeting will begin at 8:30pm Friday Night.

Please encourage your Eagles to join us. This will be a whole new experience for them at a Camporee.

## **Friday Night PLC**

This Meeting for SPL's and SM's is mandatory. We will have revised schedules based on turn out numbers. We will also roll out additional information that the Troops will need. Please make plans to join us at 9:15pm Friday night.

## **Camp Inspection**

Camp Site inspections will be performed Saturday morning. A team of inspectors will be visiting each site and judging the Troops on 2 different scores. One is for overall camp area to include the Scout areas. The other will be for the Adults area. Factors that are being looked at will include: Cleanliness, organization, area usage, Set up, Gadgets, Gates and Leave no trace practices

Think your Troop has that winning recipe? Saturday night will be the Dutch oven cook off. This year we ask you do it your way! Whatever way that is! There will be no limitations on what you bring to the table. Soups, Chili, Main dishes, sides, desserts it's all fair game. Also this year the Adults will be on the side lines licking their chops..... As the SPL's and Eagle Scouts do the taste testing and judging. Cook off entries will need to be in by 7:00pm on Saturday Sept. 21<sup>st</sup>.

## Camp Fire

This year's Campfire will be brought to you by Indian Springs District's finest Scouters. Our Eagle Scouts!!

Campfire will begin at 8:30pm Saturday Sept 21<sup>st</sup>. Our Eagle scouts will host the evening events. There is not much details for the Campfire yet....As our eagles have not put it together. If your troop would like to have a skit during this time please bring those to the Staff pavilion by 7:00pm for review.

## Lighting The Sky!!

Concluding our Campfire program; we have one last search and Rescue activity. All Eagle Scouts and SPL's will light up the sky when launching S.O.S sky lanterns. Each one will complete a correspondence sheet to be air lifted far away via sky lanterns. Once depleted, these lanterns will fall back to earth. If found; the finder can write back to launching scout. You will be surprised how far these messages will travel. Be sure to stick around for this spectacular site as 40+ Sky lanterns take to the Sky.
